For 30 years, Friends of the Children’s mentoring model has been empowering children who face the biggest barriers created by institutional racism.

Friends of the Children-SF Bay Area opened our doors in early 2017 and is dedicated to breaking the cycle of generational poverty through salaried, professional mentorship. Our full-time Professional Mentors walk beside each youth starting in kindergarten and continuing through high school graduation, a 12+ year commitment- no matter what.

Please join us in celebrating our commitment to youth in Resilient Bayview.
